

# Call 3 Step 1

## List of expressions of interest invited to step 2

ID	Acronym	Programme priority	Programme specific objective
ASP563	AlpLinkBioEco	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP564	MF^3	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems
ASP565	CIR_COOL_AS	Priority 3 - Liveable Alpine Space	SO3.1 - Sustainably valorise Alpine Space cultural and natural heritage
ASP568	SESAM	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP569	Eco-AlpsWater	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems
ASP571	DEAL	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP579	GINGER	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems
ASP583	RESFOR	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems
ASP589	AlpBioEco	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP594	VALMINACUA	Priority 3 - Liveable Alpine Space	SO3.1 - Sustainably valorise Alpine Space cultural and natural heritage
ASP595	NEXT GEMS	Priority 2 - Low Carbon Alpine Space	SO2.2 - Increase options for low carbon mobility and transport

ASP596	MELINDA	Priority 2 - Low Carbon Alpine Space	SO2.2 - Increase options for low carbon mobility and transport
ASP601	ASTAHG	Priority 4 - Well-Governed Alpine Space	SO4.1 - Increase the application of multilevel and transnational governance in the Alpine Space
ASP604	RETRO+	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP608	DuALPlus	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP620	BB-CLEAN	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP623	SmartVillages	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP624	iHIP	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP628	SMART ALTITUDE	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP635	GreenRisk4ALPs	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems
ASP639	TransformAlls	Priority 3 - Liveable Alpine Space	SO3.1 - Sustainably valorise Alpine Space cultural and natural heritage
ASP644	ATLAS	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP645	REWIRE	Priority 1 - Innovative Alpine Space	SO1.2 - Increase capacities for the delivery of services of general interest in a changing society
ASP655	SaMBA	Priority 2 - Low Carbon Alpine Space	SO2.2 - Increase options for low carbon mobility and transport
ASP659	AMG	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP662	3ExG_inAlps	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems

ASP678	REFLECTION	Priority 1 - Innovative Alpine Space	SO1.2 - Increase capacities for the delivery of services of general interest in a changing society
ASP680	A-RING	Priority 4 - Well-Governed Alpine Space	SO4.1 - Increase the application of multilevel and transnational governance in the Alpine Space
ASP681	ASIS	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP693	CHEERS	Priority 3 - Liveable Alpine Space	SO3.1 - Sustainably valorise Alpine Space cultural and natural heritage
ASP702	ActBiodivGarden	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space ecosystems
ASP710	STRIPE	Priority 2 - Low Carbon Alpine Space	SO2.2 - Increase options for low carbon mobility and transport
