Please insert a **descriptive title** of the Pilot Activity here. Further details shall be given in the corresponding word-file.

Please specify the planned implementation period for **each** pilot activity

NUTS III code of the PA implementation area. **Only one code** per pilot activity.

Reference number of the pilot activity

Please insert PP **number** and **short name**. There can be only **one PP per row**. If multiple partners implement the same PA, please fill in one row per PP.

Please indicate to which **WP action** the PA refers to.

If no specific WP is dedicated to PA implementation, there **can be multiple references** to WP actions.

Please insert an estimation of the **implementation costs for each PA**. Once closed, the final budget will be filled in.

Ref. no	<p style="text-align: center;">Description of the pilot activities</p> <p>Please, consider that this document is the basic source of information for the monitoring of the pilot activities listed in the Application Form. When filling it in, please indicate the "reference no." as used in the Excel file and use only one box for each pilot activity.</p> <p>With the first PR, please indicate the specific objectives, planned activities as well as the contribution of the Project Partner(s) involved. Please also make reference to the transnational relevance and innovative aspects of the Pilot Activity (cf. fact sheet 6.10b).</p> <p>With later PRs, please provide an update regarding the implemented activities and the achieved results in comparison to the previous PR. If relevant, please mention the cooperation with other actors at local, national or international level highlighting actual or possible synergies with other projects or programmes.</p> <p>Use the Annex List below to attach further material that contribute to the description</p>
