

Financial offer

Please indicate below which type of experts (i.e. senior, junior or other) you intend to involve for each of the evaluation activities, namely (1) new features for projects, (2) support for the implementation and governance of EUSALP, and (3) programme procedures and tools. The same applies to (4) project management to implement, coordinate and report the service.

If different daily rates apply, list each expert category on a separate line, indicating the corresponding daily rate (e.g. line 1: senior expert - daily rate X; line 2: other staff member - daily rate Y).
