

ASTUS final conference

14 | 20

Ljubljana | Slovenia | 15 Octobre 2019

Anne-S everine Lay

ASTUS: the programme expectations

- Contribution to programme results, positive impact on the level of potential to access and use low carbon mobility and transport options (specific objective 2.2)
- Contribution to relevant regional, national and EU strategies, especially EUSALP (action groups 4 on mobility)
- Sustainability and transferability of outputs
- Added value in the territory, and in policy making

ASTUS and other Alpine Space projects

- AlpGrids
- BB-CLEAN
- CESBA Alps
- GREENCYCLE
- GRETA
- IMEAS
- PEACE_Alps
- SMART-ALTITUDE
- THE4BEES
- AlpInnoCT
- **ASTUS**
- E-MOTICON
