S3-4AlpClusters

New Services for the Action Plan of the Innovation Model
WP T2, Deliverable D.T2.3.1

This project is co-financed by the European Regional Development Fund through the Interreg Alpine Space programme
Project outputs

**Policy Level**

**T1** Cluster policy and S3 benchmarking and stress testing (Outputs O1-O2)

**Cluster Level**

**T2** S3 Model based definition for cluster innovation (Output O3)

**Business Level**

**T3** Test model on pilot cluster (Output O4)

- **O1** Joint Transnational Cluster Action Plan
- **O2** Fully Developed Synchronized Scheme
- **O3** Innovation Model for Cluster Development
- **O4** New Services validated by pilot clusters

**NS** TOOLS 1-7 **ACIE** **CAP**

Smart Specialisation with Smart Clusters
Action Plan
implement S3 with clusters

1. Generate a base of evidence
   - Base of evidence
     - Quantitative and qualitative analysis
     - Stress Test
     - Synergy diamonds

2. Identify TA
   - Identifying TA
   - Assess critical mass

3. Develop actions
   - Develop TA to implement TA cross-regionally to assure critical mass

4. Regional / cross-regional implementation of TA
   - Regional / cross-regional implementation of TA

5. Synchronize funding
   - Synchronize funding

6. Transformative activities for regional development
   - Evaluation of TA impact

7. Evaluation of TA impact
   - TA Evaluation Toolbox

TOOLS

2. EDW
   - Entrepreneurial Discovery Workshops

3. cEDW
   - Cross-regional Entrepreneurial Discovery Workshops

4. ADW-cADW
   - Action Development Workshop

5. ACIE
   - Synchronized Scheme

2. **Identify TA**
   - Identify TA
   - Assess critical mass

3. **Identify TA to be implemented**
   - Cross-regionally to assure critical mass
   - Cross-regional Entrepreneurial Discovery Workshops (cEDW)

4. **Develop actions to implement TA**
   - Regionally or cross-regionally
   - Development of TA (D.T2.3.1)

5. **Synchronize funding**
   - Synchronization of funding
   - Transformative activities for regional development

6. **Regional / cross-regional implementation of TA**
   - Regional / cross-regional implementation of TA (TACT)
   - TA Cluster Toolbox (NS4)
   - TA Evaluation Toolbox (TAEV)

7. **Evaluation of TA impact**

S3-4AlpClusters – T3 deliverables

Concept
At least 10 pilot cluster test 5 new services developed during T2
NS1 Test the development of the synergy diamond
NS2 Test the Action Development Workshop
NS3 Test the implementation of the ACIE concept
NS4 Develop and test the TA Cluster toolbox
NS5 Develop the Transformative Activities evaluation tool
