The SmartVillages Charta

Peter Niederer, Swiss Center for Mountain Regions SAB

29.04.2021

Aims of the charter

With the charter we want to give continuity to the achievements of the Smart villages project and its results and outcomes.

The charter expresses our will to continue working on the topic of Smart villages in the Alpine region and to exchange on experiences in a dedicated network.

The commitment

- **Advocate for the smart villages approach**
- **Communicate the achievements of the ASP Smart villages project**
- **Be part of the alpinewide smartAlps network**

We call upon

- **the public authorities at European, Alpine, national, regional and local level to actively support the Smart villages approach**
- **Other smart villages and regions to join the network**
- **EUSALP and its governing bodies to continue their work on Smart villages**

Next steps

- **Municipalities and regions will be invited to sign the charter**
- **The signatories will be invited to the digitalAlps conference on the 27th and 28th of May 2021 and to join the network**
