HOW TO START DEVELOPING YOUR APPLICATION AND HOW TO CREATE A PARTNERSHIP

2nd round Q&A

RELEVANCE

- **CHALLENGE:** Analyze the situation and define the challenge your project aims to tackle: How would you like to improve the situation with your project?
- **TRANSNATIONAL:** Why do you need to cooperate transnationally to address this challenge? Justify, why is the project relevant for the Alpine Space..
- **TARGET GROUPS:** Entities that are affected by the challenge and have the competences or mandate to influence it.
- **OBJECTIVES:** should be in line with the needs of the target groups and contribute to tackling the identified challenge.
- **Contribution to a wider strategy and policies:** e.g. EUSALP, EU Green Deal, EU Territorial Agenda 2030...

Partnership: Basic composition

Partnership: Programme area

Partnership: who to have on board?
