	<b>Municipality of Safiental</b>			
	<b>Territory in 150 words</b> <i>Briefly describe the territory and point out to main social, economic, cultural, political and environmental characteristics.</i>			
	<p>The municipality of Safiental was founded on 1 January 2013 due to the fusion of Safien, Tenna, Versam and Valendas. The municipality currently has a population around 900 inhabitants. The students of the high school are all in Valendas. The long distances between the individual villages are a challenge in the community, e. g. students have to travel 40 minutes by post bus until they reach the school. The Safiental is a rural region and the topic of emigration is an important issue.</p>			
	<b>3 main developmental challenges:</b> <i>List three main developmental challenges of the territory in the next 10 years.</i>			
	<b>Youth: Status quo</b> <i>Briefly describe the status quo of youth – demographics, trends, activities, needs, wishes ...</i>		<b>Youth in a graph:</b> <i>Include one or more graphs that depict the status of youth at best.</i>	
<p>The young people in the Safiental know each other from the common higher school. The need for a space where they can meet was expressed in the working group on the establishment of structures for the promotion of youth. The young people report about a lively association activity.</p>				
<b>Main obstacles in youth participation:</b> <i>Describe the main obstacles in the participation of youth in decision-making.</i>				
<p>Ideas and wishes of young people for future structures were considered in the working group. However, young people do not yet have a structured voice and the processes for participation are not yet defined. A contact person to whom young people can reach out is missing</p>
