

Open Call: Are you interested in becoming an ADAPTNOW Promoting Organisation?

Would you like to participate in a joint exchange with one of our **ADAPTNOW** expert partners in climate adaptation and risk mitigation in order to test the replicability of tools and practices, climate service and policy recommendation to ensure that Highly Affected and Exposed Alpine Territories (HAET) in the Alps can strengthen their adaptation capacities?

Then please answer our questionnaire latest by May 15th 2024.

ADAPTNOW objective is to increase the risk management and adaptation capacities of HAET through the implementation and evaluation of agile, integrated, systemic and participatory approaches coordinated by regional and local public authorities with the support of sectoral agencies and research institutes. How do you benefit from becoming a Promoting Organisation?

All support provided through ADAPTNOW is based on the needs and interests of your organisation as we want to offer a joint exchange that is tailor made to your specific challenges. You will benefit from:

- matching your organisation with an ADAPTNOW partner based on your requirements,
- an in-depth observation through an onsite visit at your ADAPTNOW partner's premises. Travel costs for 1 person x 2 days will be paid for by the ADAPTNOW project,
- onsite coaching support at your premises from an ADAPTNOW partner for 2 days,
- follow up webinar will be available to your organisation.

What is your contribution as a Promoting Organisation?

- a written commitment to make available within the respective local /regional authority the results acquired through the joint exchanges with the aim to encourage the improvement of Climate adaptation and Risk Mitigation policies,
- some local accommodation expenses (local transport, catering if any) for the ADAPTNOW partner for on-site coaching support at your premises,
- follow up webinar,
- promotion of exchanges: social media and results presentation at final conference.

How do you qualify for becoming a Promoting Organisation?

The ADAPTNOW project offers to 6 structures the opportunity to become a Promoting Organisation. The following prerequisites are essential:

- being a local/regional public authority committed on climate adaptation and risk mitigation **or**, alternatively, being a private/public organization having possibility of contact/dialogue with regional and local decision makers committed on these themes,
