# Evaluation of the effectiveness and efficiency of the operational implementation of the communication strategy

## Questions and answers

---

### Question 1: Eligibility for future evaluation services

*“If a company is awarded the contract to evaluate the communication strategy, will it be eligible to participate in selection procedures for other evaluation services foreseen in 2025 (as listed in annex 2 of the tender document)?”*

**Answer:** There are no restrictions preventing the selected company from being considered for future evaluation services based on its involvement in the communication strategy evaluation.
